Punch and Judy: Seaside Entertainment in 1900

These activities are meant to link in with Unit 12 of Key Stage 3 History (Snapshot 1900 what was British middle-class life like?), particularly Section 5 (Leisure time and entertainment: what did the middle classes do for fun?).

The activities for pupils are intended to work as part of their scheme of work looking at the leisure activities of Victorian and Edwardian middle-class people.

There are opportunities for pupils to make links between the past and the present, to discover more about the history of Punch and Judy and to engage in some creative writing.

If you wish to take this further, pupils can create their own puppets. You can find information for this at:
